**REQUEST FOR REFUND**

Applicant hereby requests a refund in the amount of \$120.00. On May 24, 2005, PTO Deposit Account No. 04-1062 was charged \$120.00 for an alleged deficiency in extension fees. This debit was made in error due to the following:

On March 18, 2005, PTO Deposit Account No. 04-1061 was charged \$120.00 as a result of Applicant's request for one month extension for response to a November 18, 2004 office action.

On May 17, 2005, applicants responded to an advisory action further to the November 18, 2004 office action. The due date for filing this response was extended, by request for extension of time, by two additional months. Extension fees in the amount of \$900.00 were paid at the time of the extended response to the advisory action and attention was drawn to the fact that Applicants had already paid the first month extension fee (see attached supporting documents). Accordingly, Applicant was required to pay only the difference between the fee for three months extension and one month already paid (i.e., \$1,020 - \$120 = \$900). Thus, the \$900 extension fee was proper.

Please effect the refund of \$120.00 for the erroneous charge of May 24, 2005, by crediting Deposit Account No. 04-1061.

Respectfully submitted,
